## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 24-30 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior arts Hill et al (5,857,155), Newman (5,835,907), Hidaka (5,659,890), Iwata et al (5,646,649) does not teach portable communicator comprising a wireless communication device; a computer that outputs control commands to the wireless communication device, enters data from the public communication channel through the wireless communication device, or transmits the data to the public communication channel through the wireless communication device; a display that shows selectable predetermined images sent by the computer; a power controller that provides power to the display when an on-switch is operated to output an on-signal, which activates the display wherein input and output take place using the display, and that puts the display on standby when an off-switch is operated to output an off-signal; a housing that contains the wireless communication device, the computer, and the display assembled therein; and a destination selection device that shows a list of one or more destinations on the display and performs a destination identifying number setting process when the destination from the list is selected via input using the display .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2673

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to VIJAY SHANKAR whose telephone number is (571) 272-7682. The examiner can normally be reached on M-F 7:00 am - 4:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, BIPIN SHALWALA can be reached on (571) 272-7681. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
